Floor/Ceiling Mounted Spotlight

A new range of high quality spotlights designed around the latest high efficiency electronic control gear & lamp packages. Main housing and lamp head manufactured from die-cast aluminium with high purity aluminium reflector system (CDM-T versions) and toughened safety glass as standard. Available in either 1-lamp or 2-lamp configurations for use with metal halide or AR-111 tungsten halogen light sources, or 3-lamp configuration in AR-111 tungsten halogen. All versions incorporate electronic control gear within base. Each lamp head is independently adjustable via a gimbal system for maximum flexibility. Standard finish silver (RAL9006) with other colours available to order.

Cat. No.	Lamp Type & Cap	Wattage
DDC-62210/100	1 x AR-111 G53	50-100W
