

Commercial Lighting Systems Ltd

Surface & Track Mounted Twin Spotlight

A new range of high quality spotlights designed around the latest high efficiency electronic control gear & lamp packages. Manufactured from die-cast & fabricated aluminium with high purity aluminium reflector system (CDM-T version) and toughened safety glass as standard. Available either with 3-circuit adaptor for use with Sovereign® track or alternatively with standard ceiling plate. Each lamp head is independently adjustable via a gimbal system. Standard finish silver (RAL9006) with other colours available to order.
