

DUO CONE UP/DOWNLIGHT

Designed around the latest energy efficient miniature metal halide reflector lamps, this stylish British designed and produced wall mounted luminaire provides high quality illumination with added aesthetic appeal. Also available for use with a range of compact fluorescent and LED light sources, with all versions incorporating integral electronic control gear for maximum efficiency. Polyester powder coat finish for a high quality, durable finish in a wide range of BS/RAL colours, including RAL9006 silver and our latest Rust Red textured finish.
